Salutations

(To be confirmed by the organiser on the day of the event)

Assalamualaikum Warahmatullahi Wabarakatuh.
Salam Sejahtera. Good evening to all.

1. *Alhamdulillah*, with gratitude to the Almighty, we gather here tonight for the **2nd Chartered Management Institute (CMI) Certification ceremony** dedicated to the **Faculty of Business and Management – Master of Human Resource Management students**.
2. It is an honour to be part of this momentous occasion and to welcome over **40 individuals** who are about to receive the prestigious **CMI Certification**.
3. Tonight they mark another milestone in their academic journey as we celebrate their remarkable achievements by awarding the esteemed **CMI Level 7 Strategic Management and Leadership Practice award**.

4. My most heartfelt congratulations to the faculty and the organising committee for their detailed planning and execution of this event.
5. Let us also acknowledge the support system that has been instrumental in their success. To the faculty and staff who have guided and mentored these students, your dedication to their growth and development is truly commendable.
6. I am also delighted to see industry practitioners and representatives from professional bodies amongst us, joining the ceremony to commemorate our students' achievements. Your presence here today is deeply appreciated.

Ladies and gentlemen,

7. This accreditation was achieved through meticulously aligning the **Master of Human Resource Management (MHRM) curriculum** with the rigorous professional standards set by **CMI, UK**.

8. The MHRM programme with its CMI Award Qualification is designed to ensure graduates meet the exacting standards of professional expertise.
9. Notably, in **2019**, the programme made its mark as the **12th postgraduate programme in Malaysia** and we became the **3rd Malaysian public university** to receive this prestigious accreditation.
10. Additionally, MHRM graduates with this CMI Award Qualification now have the opportunity to attain the **Chartered Membership** or pursue **higher CMI Qualifications** at a minimal fee.

Ladies and gentlemen,

11. Tonight, we celebrate our **third batch of MHRM–CMI dual accreditation awardees.**

12. We are most grateful that you have chosen UiTM for this stage of your academic journey and we hope that you take pride in knowing that you are a part of the largest comprehensive public university in Malaysia - an institution that continues to achieve remarkable feats and aspires to be a **Globally Renowned University by 2025**.

13. You substantiate the many success stories of UiTM's Business and Management major which addresses the evolving needs of local and international business landscape ranging from Economics and Finance to Human Resource Management and Supply Chain Operations, just to name a few.

14. I wish to underscore that the university has taken on numerous initiatives, including securing accreditations and certifications from industry and professional bodies and actively involving industry practitioners in the development and delivery of our academic programmes.

15. We have carefully curated our programmes to meet industry demands, ensuring the competitiveness and proficiency of our students and staff in the global arena.
16. The key takeaway is, that we are dedicated to providing tailored, cutting-edge programmes, and a stimulating postgraduate learning experience for you.
17. That is why, I believe that post-graduation, each of you will make significant contributions to your home countries, Malaysia, or other communities you may join in the future.
18. On that note, I conclude my speech by extending my deepest gratitude and wishing you all the very best in your academic and professional pursuits and hope that you carry fond memories of your time here at UiTM.

Thank you.
