

**PROGRAMME BOOK**  
**iCEPS 50<sup>th</sup> ANNIVERSARY GALA NIGHT**

**Foreword**

**by the Chairman of the Board of Directors, UiTM**

*Assalamualaikum warahmatullahi wabarakatuh.* Greetings and salutations to all.

My heartfelt congratulations to the Institute of Continuing Education and Professional Studies (iCEPS) UiTM for orchestrating a spectacular gala night in conjunction with its golden jubilee celebration. The execution of this remarkable event serves as a testament to the sheer dedication and outstanding performance of the iCEPS community.

iCEPS has come a long way since its inception in 1973. It began its operation as an off-campus studies hub with just a few part-time programmes. Today, it stands as a symbol of progress and growth, offering an impressive array of over one hundred UiTM study programmes tailored to the needs of working adults. This excellent transformation has been made possible through the unwavering support of the UiTM management and strategic partners.

iCEPS has also consistently proven its dedication to meeting the ever-evolving needs of the market. Its commitment to providing top-notch education and services to the public underscores its role as a dynamic and responsive institution. The gala event marks a significant milestone in the history of iCEPS as it continues to play a pivotal role in enhancing strategic cooperation and fostering strong relations with diverse sectors.

All in all, iCEPS has established itself as a truly forward-thinking institution with the capacity to expand its influence locally and on the international stage. The franchise learning programmes delivered to full-time students in Iraq, China, and Indonesia clearly demonstrate the capability of iCEPS to provide educational opportunities on a global scale. This feat not only benefits the institution but also contributes to the internationalisation of higher education and the dissemination of knowledge to diverse communities around the world.

Hence, I offer my sincere congratulations to the Vice-Chancellor and the iCEPS Chief Executive Officer on their exceptional leadership and commitment to the institution. Their visionary direction and tireless efforts have propelled us forward, cultivating excellence in education and innovation.

Here's to a future filled with even greater accomplishments and achievements.

Thank you.
