**Distinguished guests, academics, researchers,  
industry leaders, and students,**

**Ladies and gentlemen,**

**Salutations**

**(To be confirmed by the organiser on the day of the  
event)**

***Assalamualaikum Warahmatullahi Wabarakatuh.  
Salam Sejahtera. Greetings, everyone.***

1. Alhamdulillah, all praise to Allah S.W.T., whose grace and blessings allow us to gather today for the **6<sup>th</sup> International Conference on Information Science (ICIS2025)**.
2. On behalf of the Vice-Chancellor, I welcome you to this special conference event and thank you for taking time out of your busy schedule to participate in the conference activities.
3. Your participation today shows your commitment to the event's goals. We are honoured to have such engaged and supportive participants.
4. Whether you are here to present, moderate, or attend the various programmes, your presence is much appreciated as it enriches this conference immeasurably.

**Ladies and gentlemen,**

5. The field of **Information and Library Science** serves as the backbone of knowledge dissemination, ensuring that information is accessible, meaningful, secure, and transformative.
6. Acknowledging the dynamic shifts shaping our world, the conference theme, "**InfoVerse: Navigating the Frontiers of Information Science**," is both timely and imperative.
7. The **InfoVerse** is a vast, dynamic information ecosystem that shapes decisions, fuels innovation, and defines progress.
8. While offering immense opportunities, **InfoVerse** also demands ethical responsibility, fairness, and human-centric design – values we must uphold as we navigate his frontier.

9. With this in mind, we are responsible as scholars and leaders for harnessing its power for the betterment of humanity.

**Ladies and gentlemen,**

10. Hosting **ICIS2025** reflects UiTM's commitment to fostering excellence, innovation, and inclusivity.
11. Moreover, the university is steadfast in aligning itself with the higher education plan for the next ten years, which includes **cultivating the nation's top talent, implementing new approaches to knowledge transfer and sharing, and advancing the internationalisation of higher education.**
12. What better way to move the plan forward than to bring together some of the brightest minds for a conference like this one to share research, best practices, and innovative solutions to complex problems?

13. From keynote addresses to plenary sessions and panels, **ICIS20025** will explore topics such as **information literacy in the age of misinformation** and the **role of libraries as agents of social transformation.**
  
14. Also, beyond the formal sessions, I encourage you to embrace the informal interactions, the conversations over coffee, and the partnerships forged here that truly drive academic and professional growth.

**Ladies and gentlemen,**

15. As we embark on this journey of exploration and discovery, I invite you to approach this conference with an open mind and a collaborative spirit.
  
16. Let us challenge assumptions, push boundaries, and create lasting solutions that will shape our fields and the world.

17. Let us envision a world where information transcends barriers of language, culture, and socio-economic status – a world where knowledge empowers everyone to thrive.
18. On that note, I extend my heartfelt appreciation to the organising committee, sponsors, and supporters whose dedication has made this remarkable event possible.
19. And, of course, a huge thank you to all the conference participants. Your involvement and contributions are integral to the success of this event and the advancement of knowledge and society.
20. May this event inspire us all to strive for a brighter, more equitable future, and I wish you a productive and enriching conference ahead.

**Without further ado,**

**it is with great pleasure that I officially  
declare  
the 6<sup>th</sup> International Conference on Information  
Science (ICIS2025) open.**

**Thank you.**

***Wabillahi Taufiq Walhidayah Wassalamualaikum  
Warahmatullahi Wabarakatuh.***
